Dear Pre-K SPED Teachers:

Every year, the Prekindergarten Program for Children with Disabilities keeps an inventory of extra equipment and materials that are not currently being used in Pre-K SPED classrooms. This allows us to reduce grant expenditures by moving unused equipment and materials to another Pre-K SPED class where it is needed.

Attached, you will find photos of some of the equipment - in case you are unsure of the names of any of the items. Be sure to consult any physical and/or occupational therapists serving your students.

Look in closets, storage areas, and therapy rooms for any equipment labeled "Pre-K ESE" or "Pre-K SPED" and report these unused items by email to:

Laura Seminario: Lseminario@dadeschools.net

Thank you so much for your response!

Wishing you well,
