

TOILET TRAINING

My teachers feel it is time for me to be potty trained and they would like to start the process on _____ . If we are going to start I will need to come to school in underpants, no more diapers or pull ups for me! When potty training begins we will have to do it at home,as well as, at school. Putting me in diapers some of the time can be very confusing.

Some things that will make it easier for me will be: please put me in loose clothing that does not have snaps, buttons, or zippers, if possible. Even though overalls and belts are cute, they make it very difficult for me to pull down my pants, quickly. I will, also, need plenty of clothing in my backpack, in case I have an accident. Please include socks, shorts, and underwear.

My teachers will take me to the bathroom every 30 minutes in the beginning. They have found that this is a successful process. We hope I will be toilet trained in a week if everyone works together.

Thank you for helping me take one more step towards independence.

Love,
Your child
