Subject: Prek disability Ad on endorsement

Good morning Alex and Cecilia,

I just spoke to Katherine Fajardo from FIU in regards to the Pre-K disabilities ad-on endorsement that they are offering. The program is free, a total of 4 classes. One class this fall starting next Tues from 5-7:30, 2 in the spring term, and 1 in the summer. The class is small, they have only 7 teachers registered. I don't know how many total teachers will be accepted in the class, but I believe around 12. She is still receiving applications until Monday. Can you please forward this email to the teachers, or teachers that you feel may be interested. Katherine's contact number is 3059892211, email kfajardo@fiu.edu. The registration is simple only one page, and the teachers would need to register at FIU as non-degree student. Katherine told me that if anyone is interested to please call her today to accelerate the application process, since she is not sure if FIU will open on Monday, due to the hurricane. Teachers can email me if needed and I can give them more information if they don't reach Katherine. This email is best since I don't have internet in my class at this moment.

Thank you,

Ms. Del Cuadro
