Subject: Assessment Requirements

Pre-K Teachers: Previously I sent you an e-mail about looking at Appendix U-1 in the Teacher Handbook to see the assessment requirements for this school year (it was on the note about purchasing test protocols). If you had looked at this you would have found some very pleasant surprises!

Developmental Testing (LAP-D, Early LAP, Brigance) ONLY on SPED children; did not need to test 3 year old role models and 4 year olds got the screen (but if you had called me to ask what was the screen I would have told you not to do anything at all since regular VPK students were not going to be given the screen at all). I do have 4 year old screening forms if you are interested. Each screening has about 16 items from LAP-D.

DECA- Everyone gets DECA - SPED , VPK Co-teaching students and Role models

PELI – ALL 4 year old SPED students(except Profoundly Mentally Handicapped) and all role models and VPK students in co-teaching classrooms who were 4 years of age as of 9/01/07).

ESOL- No ESOL testing of ANYONE except those SPED students at Transition to Kindergarten time.

READ-READ-READ the other requirements.
