Subject: Positive Parenting Practices at Gulfstream Elementary

Dear Pre-K Teachers and Staff: Roni felt that the flyer about Positive Parenting Practices at Gulfstream was not clear. We will be offering the Program in English and Spanish. I'll do English and Claudia will do Spanish in a separate room. If not enough parents register for Spanish then we will combine and have a translator for Spanish speaking parents in the English session.. Hope this is a little more clear. Please share this information with older k-3 classrooms at your school for autism.
