Subject: Temporary Instructor Days

Dear Pre-K Teachers and Staff: Please note that if you do not see your school on any of the two lists I sent you it is because schools with a Program Specialist and less than 20 SPED classrooms did not get Temporary Instructor Days from the district. The thinking is that if you have a Program Specialist and less than SPED 20 classrooms that person should be able to provide coverage so that teachers have the time to be able to plan and attend IEP meetings.
