Subject: DOE Preschool Parent Survey

Dear Pre-K SPED Teachers: This is a reminder that your parents of Pre-K children with disabilities have received the attached survey from the Department of Education (DOE). The results of this survey is how we are graded on Indicator 8. Last year 48% of parents who returned the survey felt that schools supported parental involvement. We would like to increase the number of parents who respond this year so please encourage your parents to complete the survey on the paper form sent to them by DOE or on-line. I have already sent you a flyer to go home to the parents about the survey and parents are receiving Connect ED phone messages about the survey. But just in case a parent comes to you and does not know what it is please guide and support them. Parents may call FDLRS-S for help at 305 274-3501. Thank you.
