Subject: Afternoon Training Sessions for Pre-K SPED

Dear Pre-K SPED Teachers: I think that the web registration may sometimes be overwhelming to look at so, we attached the PM training sessions (2:30-4:30) to help you out. Zilkia is trying to work on re-opening the registration since many of you didn't realize that if you want the credits, or you want the training listed for professional growth you need to register for the first date to then attend the series of dates. All Presenters should register. Zilkia thought that maybe new teachers would like to attend the ones close to them if they do not conflict with their training sessions. She has also attached STRUCTURE from Dr. Harry Wong. – Enjoy your longgggggg weekend!!! Roni
