Subject: Report Shows Benefits of Rich Pre-K Curriculum

Dear Pre-K SPED Teachers and Staff: Dr. Judy Cohen shared this link with the teachers at the BELL training this past Saturday. The link is www.ashankerinst.org which will show on the left hand side, Report Shows Benefits of Rich Pre-K Curriculum. I think it again validates what you all do each and every day. Also, I would like to remind you that all the e-mails and memos we send you are posted on the website, just in case you feel you may have missed one of the many e-mails we send you. It is found under TEACHERS and E-mails and Memos.
