

Attentive Listening

Attentive Listening

Today we commit to opening our ears,
Listening to all that we can hear.
Our friends and family have much to say.
We surely will listen to their words, today.

Gentle Touch

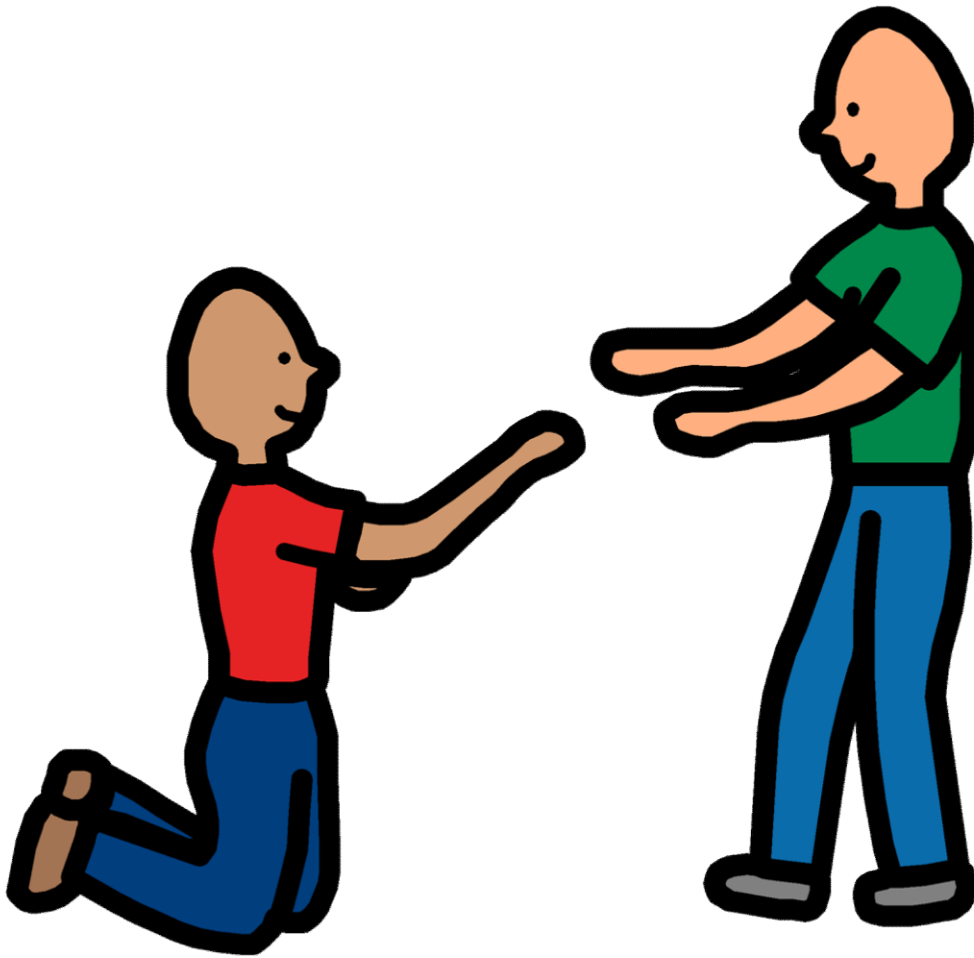

Gentle Touch

We commit to give gentle touches to our friends all around.
Especially during hot diggety when we're laying on the ground

We rub and touch a friend in need because we are so kind.
We are the greatest gentle touchers that you ever will find.

Help a friend

Help a Friend

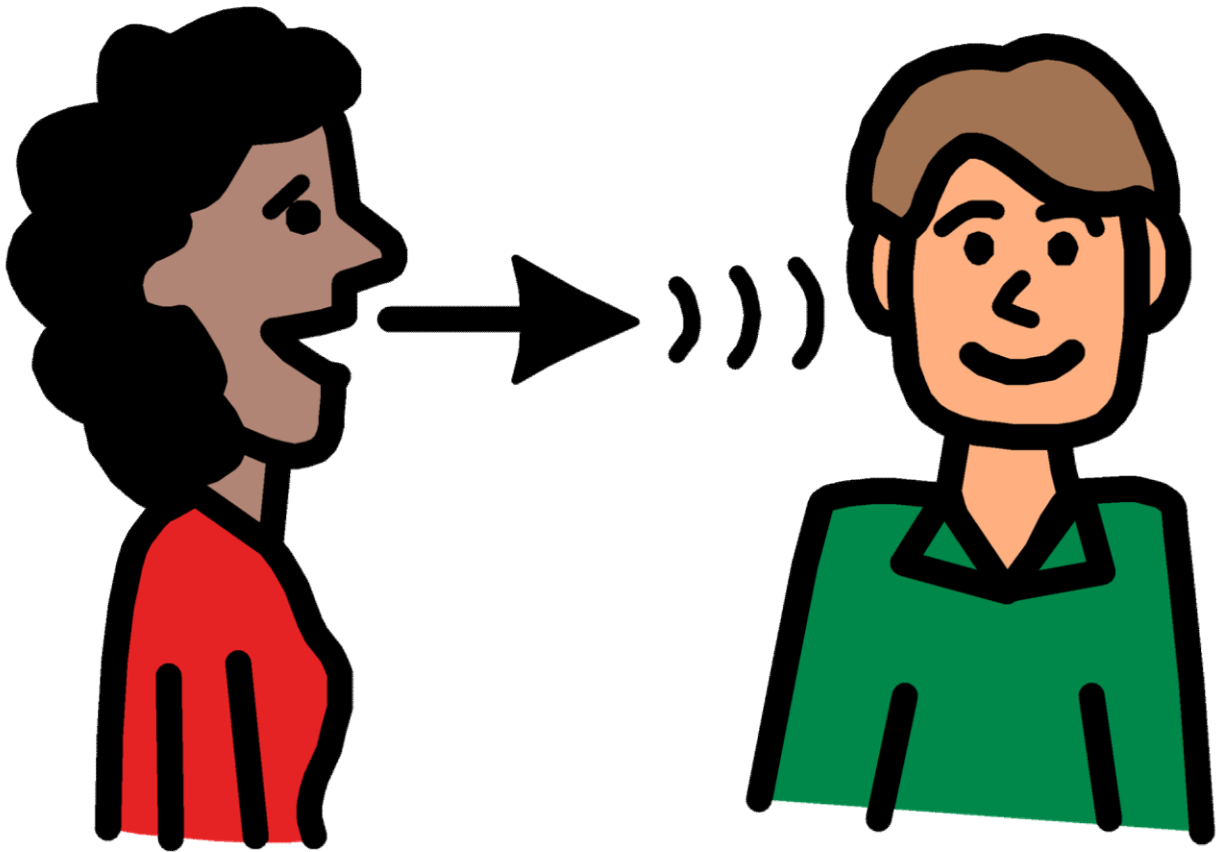

Today we commit to help a friend in need.

We know the importance of a helpful deed.

When a friend needs help with a toy or has run into some trouble

We will be right there for him or her, on the double.

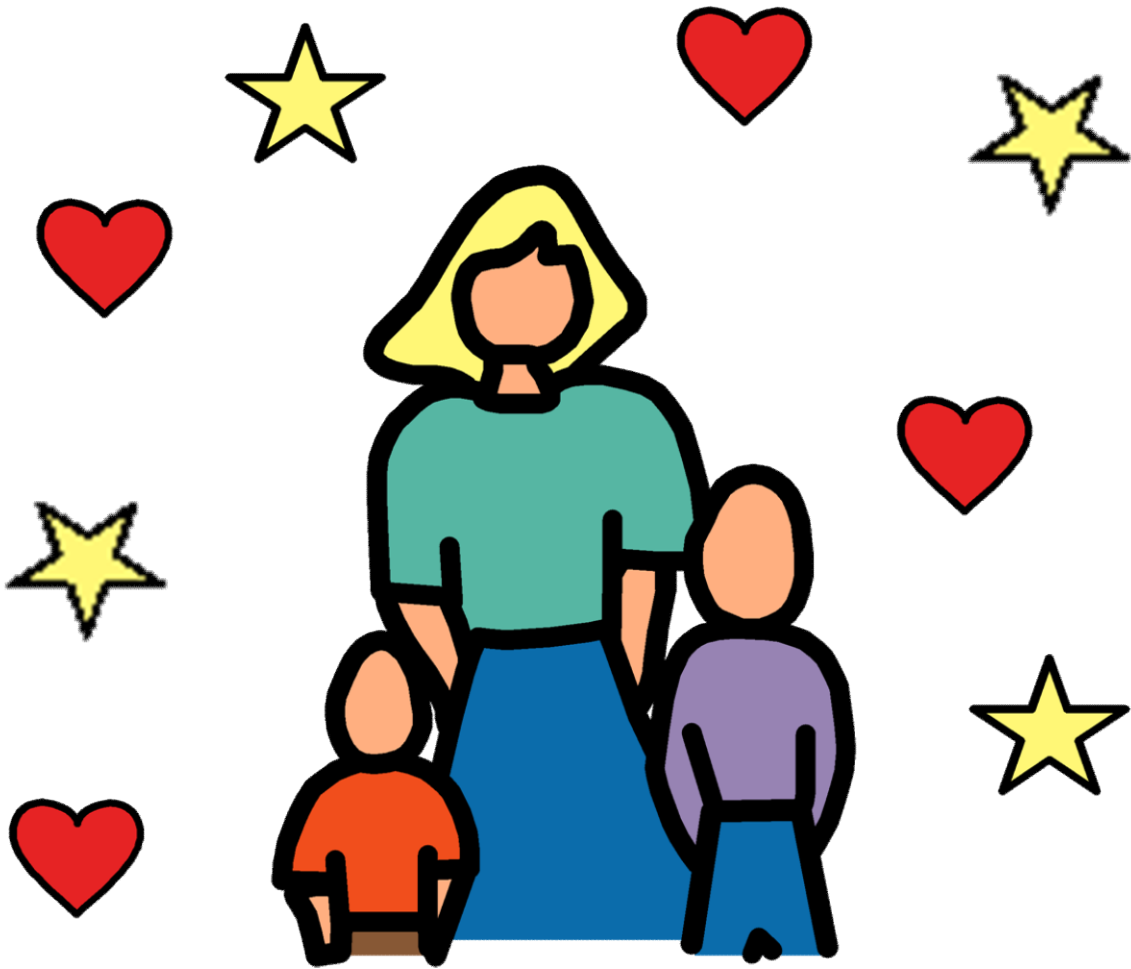

Helpful Words

Helpful Words

We commit to saying helpful words to our friends.
In our classroom kindness never ends.
You can give an idea about how to play.
Make sure to use helpful words each and every day.

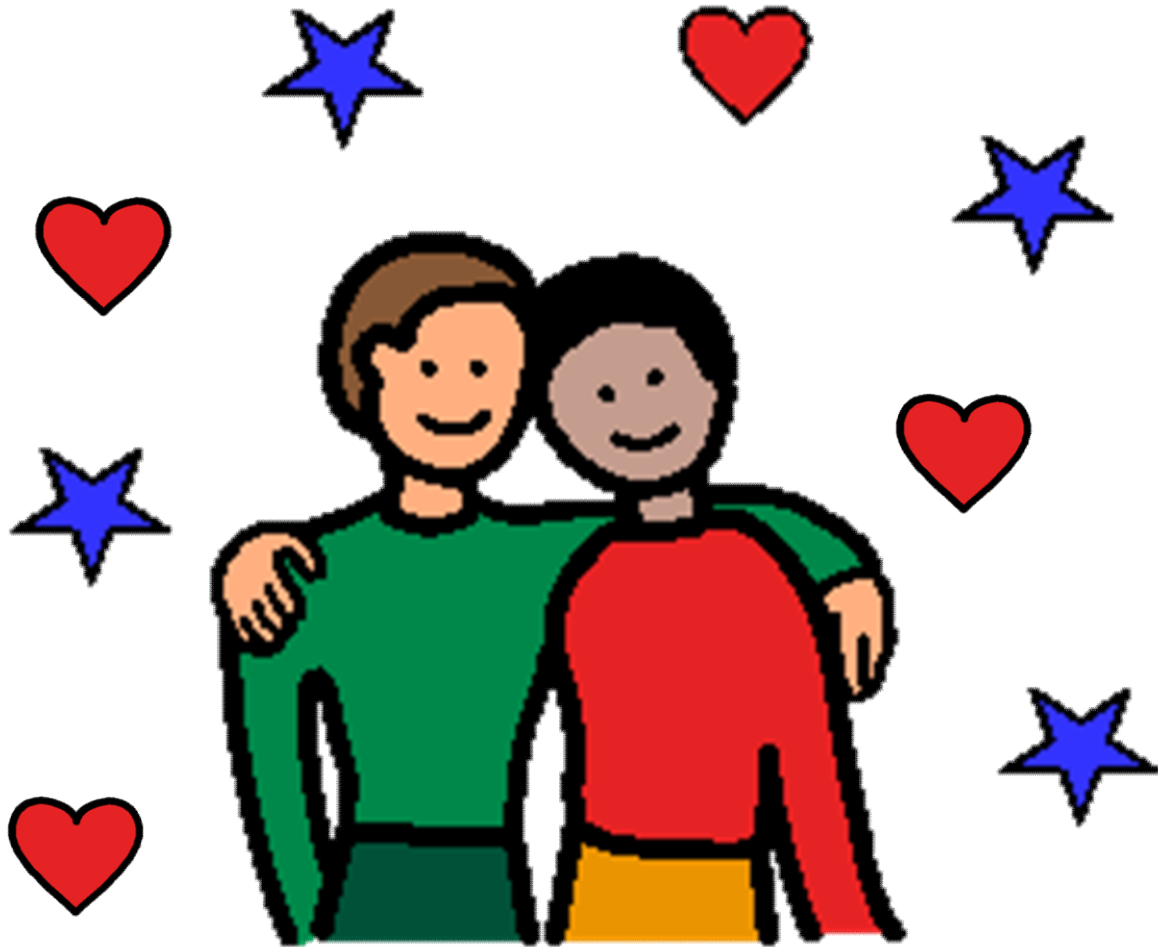

Keep it safe

Keep it safe

We commit to keep safe our friends and toys
We all hold hands both girls and boys.
When we take care of each toy and friend
We are all safe keepers till the end.

Mutual Respect

Mutual Respect

Today we commit to respect one another.
You are my school family, my sister or brother.
I will use helpful words and give compliments.
Having mutual respect is one of my commitments
